Important Notice Holiday Procedure Change

Effective Immediately: We are changing our Holiday Pick-up Procedure. We will now run one day behind from the day of the holiday. For example: if a holiday is on a Monday, Monday customers will be picked up Tuesday, Tuesday customers on Wednesday, and so on. Friday customers will be picked up Friday afternoon through early Saturday morning. We encourage all customers to maintain their routine and place their trash out the night before their Normal pick-up day to reduce confusion and assure pick-up.
